

SENIOR PORTRAIT PRICE LIST

My senior portrait sessions have changed for the Class of 2017. I will no longer be offering traditional sessions and print packages. Instead, I will be delivering your images through a USB drive and digital download system. This will allow you greater flexibility in printing and sharing all of your edited images, as opposed to choosing just a few for the same price that you would have paid in the past, in addition to the session fee you were also paying. You can use your imagination – graduation announcements, books, posters, collages, canvases, etc.
